Appointment and removal of Executive Board members and amendments to the Articles of Association

The appointment and removal of members of the Executive Board of Aurubis AG are covered by Sections 84 and 85 German Companies Act and Section 31 Co-determination Act in conjunction with Section 6 (1) of the Articles of Association. Amendments to the Articles of Association are subject to the approval of the Annual General Meeting. The resolution at the Annual General Meeting is passed by a majority that must comprise at least three quarters of the subscribed capital represented in the vote; Section 179 et seq. German Companies Act applies. In accordance with Section 11 (9) of the Articles of Association, the Supervisory Board is authorized to resolve amendments to the Articles of Association that only relate to their wording. Furthermore, the Supervisory Board is empowered to adjust Section 4 of the Articles of Association after the complete or partial execution of the subscribed capital increase in accordance with the respective claim to the authorized capital and after the authorization expires. It is also empowered to adjust the wording of Section 4 (1) and (3) of the Articles of Association in accordance with the respective issuing of new no-par-value bearer shares to the holders or creditors of convertible bonds and/or bonds with warrants, profit participation rights or participating bonds (or combinations of these instruments), which are issued by the Company or companies in which it has an indirect or direct majority interest for a cash contribution as a result of the authorization resolved at the Annual General Meeting on March 1, 2012 under item 8 of the agenda, and grant a conversion or option right to new no-par-value bearer shares in the Company or establish a conversion obligation. The same applies if the authorization to issue bonds with warrants or convertible bonds is not used after the authorization period expires or if the conditional capital is not used after the

deadlines for exercising option or conversion rights or for fulfilling conversion or option obligations have expired.

Power of the Executive Board to issue shares

In accordance with Section 4 paragraph 2 of the Articles of Association, the Executive Board is empowered, with the approval of the Supervisory Board, to increase the Company's subscribed capital in the period until March 2, 2016 by issuing up to 22,478,361 new no-par-value shares in exchange for a cash contribution and/or a contribution in kind once or in several installments by up to € 57,544,604.16. The shareholders shall always be granted a subscription right. The new shares can also be acquired by one or more credit institutions with the obligation of offering them to shareholders for subscription. The Executive Board is, however, authorized, subject to the approval of the Supervisory Board, to exclude shareholder subscription rights once or on several occasions:

- a) inasmuch as it is necessary to exclude subscription rights for possible fractional amounts,
- b) up to an arithmetical nominal value totaling € 38,046,026.24 if the new shares are issued for a contribution in kind,
- c) for capital increases against cash contributions up to an arithmetical nominal value totaling € 11,508,920.32 or, if this amount is lower, by a total of 10 % of the subscribed capital existing when this power was exercised for the first time, if the issuing price of the new shares is not significantly lower than the price of company shares in the same category on the stock exchange at the time when the issuing price is finally fixed. The subscribed capital allotted to the shares that are issued or have to be issued to fulfill convertible bonds and/or bonds with warrants, that are issued in the corresponding application of Section 186 (3) sentence 4 German Companies Act excluding the subscription right after this authorization to exclude the

subscription right goes into effect or that are sold after this authorization to exclude the subscription right goes into effect pursuant to Section 71 (1) No. 8 and Section 186 (3) sentence 4 German Companies Act must be included in this limit. An inclusion that has been carried out is cancelled if powers to issue convertible bonds and/or bonds with warrants in accordance with Section 221 (4) sentence 2 and Section 186 (3) sentence 4 German Companies Act or to sell own shares in accordance with Section 71 (1) No. 8 and Section 186 (3) sentence 4 German Companies Act are granted again at the Annual General Meeting after exercising such powers that have led to inclusion,

- d) inasmuch as it is necessary to grant holders or creditors of bonds with warrants or convertible bonds issued by the Company relating to shares a subscription right for new shares to the same extent as they would be entitled after exercising their option or conversion rights.

In the resolution dated February 11, 2011 the Executive Board of Aurubis AG declared in the scope of a voluntary commitment that it would not make use of the authorizations to exclude shareholders' subscription rights during the duration of the authorization provided in Section 4 (2) of the Articles of Association insofar as this would lead to the issuing of Aurubis AG shares under the exclusion of subscription rights whose notional value exceeds a total of 20 % of the subscribed capital at the time of the Annual General Meeting's resolution, or, if this amount is lower, of the subscribed capital existing at the time the authorization is first used.

This voluntary commitment was made accessible on Aurubis AG's website in the Investor Relations section for the duration of the authorization.

Power of the Executive Board to repurchase shares

With a resolution of the Annual General Meeting on February 28, 2013, the

Company was empowered until February 27, 2018 to repurchase its own shares (treasury shares) up to a total of 10 % of the current subscribed capital. Together with other own shares held by the Company or attributable to it in accordance with Section 71a et seq. German Companies Act, the shares acquired by the Company based on this authorization shall at no time exceed 10 % of the Company's current subscribed capital. The acquisition of shares for the purpose of trading with own shares is excluded. The Executive Board is empowered to use shares in the Company that are purchased on account of this power for all legally permitted purposes, and in particular also for the following purposes:

- a) Own shares that have been acquired can also be sold in a way other than a sale via the stock exchange or by means of an offer to all of the shareholders, if the shares are sold in return for a cash payment at a price that is not materially lower than the stock market price of the Company's shares of the same category at the time of the sale; the subscription rights of the shareholders are excluded. This power shall however only apply on the condition that the shares sold excluding the subscription right may not, in accordance with Section 186 (3) sentence 4 German Companies Act, exceed 10 % of the subscribed capital, either at the time this becomes effective or at the time of exercise of this power (the "upper limit"), in each case taking into account the possible use of other authorizations to exclude the subscription right in accordance with or in the corresponding application of Section 186 (3) sentence 4 German Companies Act. An inclusion that has been carried out is canceled if powers to issue new shares from authorized capital in accordance with Section 186 (3) sentence 4 German Companies Act or to issue convertible bonds and/or bonds with warrants in commensurate application of Section 186 (3) sentence 4 German Companies Act are granted again at the Annual General Meeting after exercising such powers that have led to inclusion.
- b) Own shares that have been acquired can also be sold in a way other than a sale via the stock exchange or by means of an offer to all of the share-

holders, if this is carried out in return for a contribution in kind by a third party, especially in conjunction with the acquisition of business entities, parts of business entities or participating interests in business entities by the Company itself or by a business entity dependent on it or majority owned by it, and in conjunction with business combinations or to fulfill conversion rights or obligations relating to conversion or option rights issued by the Company or Group entities of the Company; the subscription rights of the shareholders are in each case excluded.

- c) Own shares acquired can be withdrawn entirely or in part without a further resolution of the Annual General Meeting. They can also be withdrawn applying simplified proceedings without a reduction in capital by adjusting the proportionate notional share of the remaining no-par-value shares in the subscribed capital of the Company.

The complete text of the resolution dated February 28, 2013 has been included under agenda item 7 in the invitation to the Annual General Meeting 2013 published in the German Federal Gazette on January 15, 2013.

Power of the Executive Board to issue convertible bonds and shares from conditional capital

In accordance with Section 4 (3) of the Company's Articles of Association, the subscribed capital is conditionally increased by up to € 52,313,277.44 by issuing up to 20,434,874 new bearer shares without a nominal amount (no-par-value shares), each with notional interest in the subscribed capital of € 2.56 (conditional capital). The conditional increase in capital will be used to grant no-par-value bearer shares to the holders or creditors of convertible bonds and/or bonds with warrants, profit participation rights and/or participating bonds (or combinations of these instruments), which are issued by the Company or companies in which it has an indirect or direct majority interest, for a cash contribution as a result of the authorization resolved at the Annual General Meeting on March 3, 2012 under item 8 of the agenda, and grant a con-

version or option right to new no-par-value bearer shares in the Company or establish a conversion obligation. The conditional increase in capital will only be carried out to the extent that option or conversion rights are used or those holders or creditors that are required to convert fulfill their obligation to convert and that the Company's own shares or new shares from the utilization of authorized unissued capital are used for this purpose. The new no-par-value bearer shares are entitled to participate in the profits from the beginning of the fiscal year in which they come into existence through the exercise of option or conversion rights or the fulfillment of conversion obligations. The Executive Board is authorized to define the further details of how the conditional capital increase shall be performed.

The complete text of the resolution dated March 1, 2012 has been included under agenda item 8 in the invitation to the Annual General Meeting 2012 published in the German Federal Gazette on January 19, 2012.

Significant conditional agreements concluded by the Company

In the event that a single person or a group of persons acting together should acquire more than 50 % of the shares or the voting rights in Aurubis AG, every syndicate lender from the agreement with a banking syndicate ("the Syndicated Loan") on a credit line totaling € 350 million, which primarily serves to finance the working capital of the Group, shall be entitled to cancel his participation in the Syndicated Loan and to demand immediate repayment of the amounts owed to him.

Within the scope of various bonds totaling € 436 million, every lender has an extraordinary right of cancellation if control over the borrower changes.
